Kim's Tip: Summer's Top Sunglass Styles

It's that time of the season to get out your shades! Once you have found the right frame for your face shape, it's time to find some flattering shades. Check out these popular styles to stylishly protect your eyes from the harmful UV rays.

- **Classic Style** – These shades tend to come with timeless frame styles and subtle patterns like tortoise shell.
- **Fun** – These tend to have playful retro styles and come in bold colors with trendy prints.
- **Cool** – They are edgy and at-the-moment trends with modern shapes and playful lens colors.
- **Glam** – Very chic and make a statement with oversize lenses, chic black or animal prints.

Remember that square frames are more flattering on round or heart-shaped faces, and oval shaped faces can pull off just about any frame.
